* Waterton Lakes National Park was closed to the public from September 8 - 20, 2017, due to a wildfire. Some sites in the park remain closed to date.

** Other Alberta includes Lethbridge, Red Deer and other Alberta communities.

*** The Royal Alberta Museum (RAM) opened on October 3, 2018. While the visitation numbers from October onwards include the RAM, the percentage change numbers in 2019 exclude visitors to the RAM, in order to be comparable to 2018.

Note: New monthly figures are shown in bold type. Revisions will be bolded.

r=revised p=preliminary

1. Air Passengers - Numbers are preliminary estimates of air passenger arrivals and departures at the Edmonton International and Calgary International Airports. Since September 2015, total domestic passengers at Fort McMurray International Airport has been added, which comprise commercial and charter passengers.
Source: Edmonton International Airport, Calgary International Airport and Fort McMurray International Airport websites.

2. Highway Traffic - These are monthly totals. The monthly average daily traffic (average number of vehicles per day) is calculated by dividing the monthly total by the number of days in the month passing the counter locations and in the direction indicated for a particular month. Automatic Traffic Recorders count all vehicles by direction. Year to date is a cumulative total for all vehicles.

Source: Alberta Transportation's Automatic Traffic Recorders (ATR). <http://www.transportation.alberta.ca/3459.htm>

3. National Park Attendance - Attendance is reported as the number of visits to National Parks in Alberta. Data are preliminary unless otherwise noted.

Banff National Park and Jasper National Park reflect independent travellers only and do not include people travelling as part of a tour group. Tour group data is included in the annual edition of Market Monitor.

Source: Parks Canada.

4. Employment Food and Accommodation Sector - The employment figure represents all persons who worked for pay, profit or unpaid work in the food services and accommodation sector, including businesses or other ventures owned or operated by a related family member(s) during the reference period of the survey. The year-to-date total is an average for the year.

Source: Statistics Canada, Labour Force Survey.

5. Accommodation Indices for Major Regions - Occupancy rates and average daily room rates are based on monthly averages of all reporting hotels, motels and motor hotels in each designated region. Alberta Resorts includes the resort communities of Banff, Lake Louise, Kananaskis, Canmore and Jasper.

Revenue per available room is calculated using the occupancy rate and average daily room rate.

6. Food Services and Drinking Places - The monthly survey of Food Services and Drinking Places provides estimates of the value of sales and the number of locations of restaurants, caterers, and drinking places by province and by industry at the North American Industry Classification System (NAICS) four-digit level. Includes total receipts from restaurants, caterers and taverns for chain and independent establishments. The target population is the three-digit NAICS level of 722, which includes: full-service restaurants, limited service eating places, special food places and drinking places. The year-to-date total is an average for the year.

10. Major Hotel Projects in Alberta - This is the inventory of hotel projects in Alberta, including new hotels and renovations valued at \$5 million or greater. It is not a complete list of hotel projects. The project stages included in the reported number are: announced, under construction and completed. If the project is completed, it will be

removed from the inventory after 30 days from completion. More information on other tourism and recreation projects is available on the website provided below.
